The Complainant is informed and believes, and based upon such information and belief, alleges and charges Respondent as follows:

I.

Introduction

1. 360 Mortgage Group, LLC (360) is licensed by the Commissioner of Business Oversight (Commissioner) as a residential mortgage lender and servicer pursuant to the California Residential Mortgage Lending Act ("CRMLA") (Fin. Code § 50000 et seq.). 360 has its principal place of business located at 11305 Four Points Drive, Building 1, Suite 200, Austin, Texas 78726.

ACCUSATION

1 360 currently has 1 branch office location under its CRMLA license located in Nevada. 360
2 employs mortgage loan originators in its CRMLA business.

3 2. 360 is also licensed by the Commissioner as a finance lender and broker pursuant to
4 the California Financing Law (CFL) (Fin. Code § 22000 et seq.). 360 has its principal place of
5 business under the CFL also located at 11305 Four Points Drive, Building 1, Suite 200, Austin,
6 Texas 78726. 360 does not currently have any branch office locations under its CFL license.

7 II.

8 Trust Accounting Violations

9 3. On or about January 18, 2017, the Commissioner commenced a regulatory
10 examination of the books and records of 360 under the CRMLA and the CFL (2017 regulatory
11 examination). The 2017 regulatory examination disclosed that 360 (i) was failing to properly
12 reconcile certain of its trust accounts in violation of Financial Code section 50314 and California
13 Code of Regulations, title 10, section 1950.314.1; and (ii) had caused a shortage to exist in one of its
14 trust accounts in violation of California Code of Regulations, title 10, section 1950.314.6.

15 4. In 2016 and 2017, 360 maintained the relevant trust accounts at Texas Capital Bank.
16 The trust account ending in 3912 was the trust account for interim escrow funds (Interim Escrow
17 Account). The trust funds held in the Interim Escrow Account are to be held until time for
18 disbursement to the tax authority, insurance company, contractor, etc.

19 5. 360 maintains asset general ledger number 10141 and liability general ledger number
20 22100 for Interim Escrow Funds.

21 6. A review of the trust account reconciliations for September 30, 2016 disclosed that
22 360 had failed to properly reconcile the Interim Escrow Account for the period ended September 30,
23 2016 as the Interim Escrow Account had a shortage of \$259,614.13. A trust account shortage
24 indicates there are insufficient funds available to pay all the escrow impound liabilities. California
25 Code of Regulations, title 10, section 1950.314.6 prohibits debit balances in any loan or servicing
26 account maintained by CRMLA licensees. 360 has corrected the shortage in the Interim Escrow
27 Account.

III.**Per Diem Interest Overcharges**

7. The 2017 regulatory examination further disclosed that 360 engaged in unfair business acts or practices in violation of Financial Code section 22161, subdivision (a)(4) and Business and Professions Code section 17200 in that 360 charged the borrower per diem interest in excess of one day prior to the disbursement of loan proceeds in violation of Civil Code section 2948.5 in 3 of 20 (15%) funded CFL loans reviewed. A California Additional Per Diem Interest Charge Disclosure was found in the 3 loans with per diem interest overcharges. The disclosures were not prepared in accordance with California Civil Code section 2948.5, subdivision (b) or were not applicable, and therefore were not considered in calculating per diem interest charges. The per diem interest overcharges averaged \$50.98 per loan. The range of per diem interest overcharges was between \$27.37 and \$95.49. The range of days that interest was overcharged was between 2 and 3 days.

8. The Commissioner had found that 360 was overcharging per diem interest during the last regulatory examinations under the CRMLA and CFL that commenced in November 2012 and September 2012, respectively. Based upon the findings of the 2012 CRMLA and CFL regulatory examinations, the Commissioner instructed 360 to implement such procedures as necessary to ensure that per diem interest was not overcharged in the future.
